## ACUPUNCTURE NEEDLES THAT HEAL PETS & THE PLANET

*The Needle Wrist Launcher keeps your hands free & needles close by!*

Acufast Earth-Friendly Needles are a complete bulk-needle system, perfect for your veterinary clinic and feature:

- Smooth and reliable coated & non-coated options (no "ruff" needling here)
- The world's smallest packaging per 1000 needles, made from biodegradable sugar cane fiber
- Acuclip, Acubase and Needle Wrist Launcher accessories for bulk-needle handling that's easier than herding cats
- Optional pinchable & flexible guide tubes with 60% less plastic because less plastic = more pawsitive impact
- Plus: Acufast plants 1 tree for every 2 boxes sold

Together, we can reduce waste, plant trees, and keep tails wagging (and whiskers twitching) for years to come. Try Acufast today by requesting your FREE Acufast needle sample with Acuclip at:

Winter Herbal Support for our Pets

Call us for  
your free  
clinical guide

In Chinese medicine, winter is associated with the element of water, which relates to the kidneys and bladder. Choosing herbal formulas that are warming and offer support to the kidneys are useful this time of year. These include **Essential Yang Formula**, **General Tonic Formula**, **Sea of Qi Formula**, and **Nourish Essence Formula**. For more information, visit our website or consult our clinical guide.
