ACUPUNCTURE NEEDLES THAT HEAL PETS & THE PLANET

The Needle Wrist Launcher keeps your hands free & needles close by!

Acufast Earth-Friendly Needles are a complete bulk-needle system, perfect for your veterinary clinic and feature:

- **Smooth** and **reliable** coated & non-coated options (no "ruff" needling here)
- The world's **smallest packaging** per 1000 needles, made from biodegradable sugar cane fiber
- Acuclip, Acubase and Needle Wrist Launcher accessories for bulk-needle handling that's easier than herding cats
- Optional pinchable & flexible guide tubes with **60% less plastic** because less plastic = more **pawsitive** impact

Together, we can reduce waste, plant trees, and keep tails wagging (and whiskers twitching) for years to come. Try Acufast today by requesting your **FREE** Acufast needle sample with Acuclip at:
